

We all know the problems but...

What would be a better benefits system?!?

Workshops at Thrive

Tuesday 18 June 2019

1pm-4pm OR 6pm-8pm

Places are free but you need to book at:

tinyurl.com/yypqjowz

About the workshops

The social security/welfare benefits system is failing - but there is little agreement on ways forward.

The workshops are the chance to answer questions like:

Can Universal Credit be improved or if you think it should be scrapped, what would replace it?

How much should each benefit be?

How should the system work out who should get sickness or disability benefits?

Who should attend?

Anyone interested in a better social security/welfare benefits system will be greatly welcome!
