

# #COVID19

- what is happening in your community?

This is a time when everything that we see as 'normal' has changed. We appreciate that the government and our local councils have had to make decisions that will have a massive impact on our lives - but do they know the reality?  
Do they fully understand what is happening in our communities?

How have you been affected by the decisions to prevent the corona virus spreading?

- are you still able to work or have you lost your job?

What support is out there for you?

What support do you need?

How are you making ends meet?

What else do you need to know?

Please get in touch and let us know what is happening with you - what do you propose we do about it?
